ALLODIUM INVESTMENT CONSULTANTS IS CERTIFIED FOR FIDUCIARY EXCELLENCE

PITTSBURGH, AUGUST 31, 2016 – CEFEX, the Centre for Fiduciary Excellence, LLC, an fi360 company, has certified Allodium Investment Consultants in Minneapolis, MN to the standard described in the handbook “Prudent Practices[®] for Investment Advisors”. Allodium Investment Consultants (Allodium) joins the elite group of Investment Advisors to successfully complete the independent certification process.

The standard describes how an Investment Advisor assumes the responsibility for managing a client’s overall investment management process, which includes the selection, monitoring and de-selection of investment managers, as well as developing processes to implement investment strategies and fiduciary practices on an ongoing basis. According to the General Manager of the Centre for Fiduciary Excellence, Carlos Panksep, “Through CEFEX’s independent assessment, the certification provides assurance to investors, both institutional and individual, that Allodium has demonstrated adherence to the industry’s best fiduciary practices. This indicates the firm’s interests are aligned with those of investors.”

Allodium has been certified for investment management services for individuals, families and organizations. Allodium is registered at www.cefex.org, where its certificate can also be viewed.

The standard is substantiated by legislation, case law and regulatory opinion letters from the Employee Retirement Income Security Act (ERISA), the Investment Advisers Act of 1940, the Uniform Prudent Investor Act (UPIA), the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and the Uniform Management of Public Employee Retirement Systems Act (UMPERSA) in the U.S.
