NEWS RELEASE

ALLODIUM INVESTMENT CONSULTANTS RENEWS CERTIFICATION FOR FIDUCIARY EXCELLENCE

PITTSBURGH, August 22, 2020 – CEFEX, the Centre for Fiduciary Excellence, LLC, has renewed the certification of Allodium Investment Consultants of Minneapolis, MN to the standard described in the handbook *Prudent Practices for Investment Advisors*. Allodium remains part of a group of investment advisory firms that are certified in this global program.

The standard describes how an Investment Advisor assumes the responsibility for managing a client’s overall investment management process, which includes the selection, monitoring and de-selection of investment managers, as well as developing processes to implement investment strategies and fiduciary practices on an ongoing basis. According to the Managing Director of the Centre for Fiduciary Excellence, Carlos Panksep, “Maintaining certification requires a continued adherence to the industry’s best practices. This is verified through our annual renewal assessment.”

Allodium Investment Consultants is certified for investment management services for individuals, families and organizations. Allodium Investment Consultants is registered at www.cefex.org/advisor, where the firm’s certificate can also be viewed.

The standard is substantiated by legislation, case law and regulatory opinion letters from the Employee Retirement Income Security Act (ERISA), the Investment Advisor’s Act of 1940, Uniform Prudent Investor Act (UPIA), Uniform Prudent Management of Institutional Funds Act (UPMIFA) and the Uniform Management of Public Employee Retirement Systems Act (UMPERSA) in the U.S.

A full copy of the standard can be downloaded from CEFEX at www.cefex.org/advisor and a summary can be viewed by clicking on Allodium Investment Consultants online [CEFEX certificate](#). More information about Allodium Investment Consultants is available at <https://www.allodium.com>.
